6. In the City OR County Drop Down Menu, select any City or County you wish to search for a contractor in. Please note that
- You MUST select a location from one of these menus to get results
  - All contractors Certified by the State are licensed to work throughout the State, including in Toho's service area. The location search only searches the Business's registered address and does not dictate where in the State they are licensed to work.

7. Click 'Search' and you will be provided with a list of all licensed underground contractors.
