Reclaimed water services temporarily unavailable in Simmons Road area

Kissimmee, Fla. (Monday December 19, 2022) – Toho Water Authority (Toho) is announcing that the reclaimed water supply for irrigation in the Simmons Road area, including Simmons Trace, has been temporarily shut down due to a break in the line related to construction on a neighboring site. Service is expected to be restored by Wednesday, December 21. Schedules could vary according to unforeseen circumstances.
