Precautionary boil water advisory issued to customers in the Bayview Lane, Cord Avenue and Canoe Creek Road area south of Pine Tree Drive

St. Cloud, Fla. (Saturday, September 14, 2024) — Toho Water Authority (Toho) is issuing a precautionary boil water advisory for customers in the Canoe Creek Road area south of Pine Tree Drive between Cord Avenue and the Florida Turnpike, customers in the Bayview Lane area and customers on Cord Avenue north of Pine Tree Drive (highlighted in blue in maps below).

This is due to a water line break that occurred in the area. The precautionary boil water advisory will be in effect until lifted by Toho.

As a precautionary measure, customers are advised to boil their water for one minute prior to consumption (drinking, cooking, making ice, brushing teeth or washing dishes). As an alternative bottled water may be used. Water used for laundry or bathing/showering does not need to be boiled. Guidelines for the food industry are attached.

For more information, contact Toho's customer service center at 407-957-7344 or email cs-st-cloud@tohowater.com. Updates are also posted to our News & Alerts section on tohowater.com.

###

About Toho: Toho Water Authority (Toho) is the largest provider of water, wastewater and reclaimed water services in Osceola County. Formed in 2003 by a special act by the Florida Legislature, it currently serves over 160,000 customers in St. Cloud, Kissimmee, Poinciana and unincorporated areas of Osceola, Polk and Orange counties.
