

Lifted: Avenue A, B and 5125 Robert McLane Boulevard precautionary boil water advisory

Kissimmee, Florida (Wednesday January 8, 2025) The advisory has been lifted. Customers are no longer advised to boil their water prior to consumption.

###

Avenue A, B and 5125 Robert McLane Boulevard precautionary boil water advisory

Kissimmee, Florida (Monday, January 6, 2025) - Once service is restored, a precautionary boil water advisory will be in effect for the following customers:

- 5125 Robert McLane Boulevard
- 1755 Avenue A
- 1785 Avenue A
- 1700 Avenue B

This is due to a water line break in the area. Service is expected to be restored by 7 p.m. Schedules may change due to weather and unforeseen circumstances.

The precautionary boil water advisory will be in effect until lifted by Toho.

As a precautionary measure, customers are advised to boil their water for one minute prior to consumption (drinking, cooking, making ice, brushing teeth or washing dishes). As an alternative bottled water may be used. Water used for laundry or bathing/showering does not need to be boiled. Food industry guidelines are attached.

An update will be provided on Wednesday, January 8. In the meantime, regulatory testing will take place to make sure the water meets drinking water standards.

For more information, contact our customer service at 407-944-5000. Updates are also posted to our News & Alerts section on tohowater.com.

###

Toho Water Authority (Toho) is the largest provider of water, wastewater and reclaimed water services in Osceola County. Formed in 2003 by a special act by the Florida Legislature, it currently serves over 150,000 customers in St. Cloud, Kissimmee, Poinciana and unincorporated areas of Osceola Polk and Orange counties.
