Kissimmee area precautionary boil water advisory once service is restored

Kissimmee, Florida (Wednesday, May 21, 2025)– Toho Water Authority (Toho) is announcing that once service is restored, a precautionary boil water advisory will be in effect for the following customers located in the following areas. Please see the map below.

- Kissimmee Bay Country Club Neighborhood
- Remington Neighborhood
- Partin Settlement Road
- East Lakeshore Boulevard
- Fortune Road

This is due to construction activities in the area. Service is expected to be restored by 7 p.m. Schedules may change due to weather and unforeseen circumstances.

The precautionary boil water advisory will be in effect until lifted by Toho.

As a precautionary measure, customers are advised to boil their water for one minute prior to consumption (drinking, cooking, making ice, brushing teeth or washing dishes). As an alternative bottled water may be used. Water used for laundry or bathing/showering does not need to be boiled. Food industry guidelines are attached.

Once service is restored, regulatory testing will take place to make sure the water meets drinking water standards. An advisory status update will be provided by Friday, May 23.
