Bay Lake Estates disruption of service & precautionary boil water advisory

Kissimmee, Florida (February 23, 2026) - Toho Water Authority (Toho) is announcing an unplanned disruption of service in the Bay Lake Estates area on the following streets:

- Mockingbird Ave
- Heron Court
- Toucan Court
- Crane Court
- Peacock Court
- Flamingo Court
- Bayshore Drive from Mockingbird Ave to the East dead end

Customers may be experiencing low to no water pressure. This is due to a water valve break in the area. Service is expected to be restored by 5 p.m. Schedules may change due to weather or unforeseen circumstances.

Once service is restored, a precautionary boil water advisory will be in effect. The precautionary boil water advisory will be in effect until lifted by Toho.

As a precautionary measure, customers are advised to boil their water for one minute prior to consumption (drinking, cooking, making ice, brushing teeth or washing dishes). As an alternative bottled water may be used. Water used for laundry or bathing/showering does not need to be boiled.

Once service is restored, a two-day minimum of regulatory testing is required to make sure the water meets drinking water standards. An update will be provided by Wednesday, February 25, 2026.

For more information, contact Toho's customer service at 407-944-5000 or visit our News & Alerts section on tohowater.com.
